Veteran / VA Dogs Agreement

Veteran Assistance Dogs of Texas is a non-profit organization and relies on donations in order to locate, train and place our service dogs. It takes time and effort to train a service dog at a cost in excess of \$24,000; consequently, VA Dogs must have the best interest of the service dog in mind when placing that service dog with an applicant.

Therefore, VA Dogs reserves the right to deny an applicant, at any stage of the process, from acquiring a VA Dogs Service Dog. We also reserve the right to remove a placed dog from a recipient if it is deemed in the best interest of the Service Dog.

Additionally, if the recipient should pass away within the first three years of the service dog's placement, the family, at their option, may return the Service Dog to VA Dogs for potential reassignment.

While VA Dogs does not anticipate any of the above-mentioned problems, we must inform all applicants of these possibilities.
